Other Commission initiatives

As part of our commitment to continuous improvement, the Commission is always looking for ways to add value to APS agencies. Tell us about the challenges your agency is facing beyond tomorrow so the Commission can continue to meet the future needs of your APS.

**Panel Services: providing solutions for all your leadership,
learning and development needs**

About the Panel

The Commission's Leadership, Learning and Development Panel includes more than 115 consultancy and 20 eLearning firms who are specialists in the APS environment. The Panel will continue to grow as emerging needs of the Australian Public Service (APS) arise.

The Panel was selected through a rigorous open Tender process and delivers high quality leadership, learning and development solutions. The broad range of products and services on offer via the Panel can be customised to meet your agency specific needs.

The Key Areas of Expertise (KAE's) include, but are not limited to:

- strategic people management and capability building consultancy services
- learning and development services for non-executive employees
- coaching services to all levels of the APS
- Senior Executive Service leadership development.

NEW to the Panel: eLEARNING

You will soon be able to access Panel expertise in a range of eLearning areas including:

- consultancy—for your total eLearning solutions
- content development—transforming your training with eLearning
- content deployment—including learning management systems and hosted services
- training and support services—the eLearning way.

Available from late September 2008. For more information on eLearning, visit our website at www.apsc.gov.au/learn/custom.htm
